## STATEMENT OF ACCEPTANCE

Please complete and return to

Safety Committee  
Department of Chemical Engineering  
Room 3B48 Engineering  
University of Saskatchewan

\* \* \* \* \*

I have received the Safety Handbook setting forth the Rules and Safe Practices to be followed in the Department of Chemical Engineering at the University of Saskatchewan. After studying its contents, I understand that while I am a student or an employee in the department I am responsible for obeying the Safety Rules and for exercising good judgment in the application of safe practices in a continuous effort to prevent accidents that might result in injury to either myself or my coworkers.
