

BOT Learning Agreement - Student Self-Assessment and Academic Success Plan

Engineering Student Centre, College of Engineering, University of Saskatchewan

Student Name: _____ Student Number: _____ NSID: _____
Program & Year: _____ Academic Year: _____

Your academic success plan is designed to help you discover your academic strengths and areas for improvements. It can also be used to determine your academic and career goals, identify the resources available to you, and to develop a plan for returning to good academic standing.

Be honest with yourself about the commitment and effort you are willing to invest so that you can develop a plan that is achievable and workable for you.

- 1. Describe the current difficulties that you encountered during the previous academic year.

- 2. Identify the obstacles and/or challenges you encountered that caused your current academic difficulty.

#	Obstacle/challenge	How did this obstacle impact your academic performance?
1.		
2.		
3.		
4.		
5.		

3. Potential solutions for overcoming identified obstacles (create a workable and achievable solution)

#	Obstacle/challenge	Solution (Specific skills/strategies I need to be successful)	Campus resources I will use in the future
1.			
2.			
3.			

4. Develop your action plan – write your most important goals down and what steps you will take to achieve these goals. Use SMART principles in writing down your action plan below.

#	Goal	Action plan	Timeline
1.			
2.			
3.			
4.			

Remember, SMART goals follow these principles (as presented in Module 1)

S – Specific

M – Measurable

A – Attainable

R – Realistic

T – Timely

5. Based on identified factors that impacted your academic performance, what additional BoT modules (from the supplementary list) or on campus resources do you plan to complete/access to help you strengthen your skills and achieve your academic goals? Pick at least 4 from the optional modules included in the BoT Canvas Course.

#	Learning modules and on campus resources
1.	
2.	
3.	
4.	
5.	
6.	

I agree to use the above strategies which I have mapped out in my academic success plan. I have a clear understanding of what I need to do to successfully complete my Engineering degree at the College of Engineering, University of Saskatchewan. I will continue to follow-up with my Academic Advisor as scheduled.
